Tutorial SPE Membership (New)

Go to the following link: <http://www.spe.org/students/qualify.php>

Become A New Student Member

Join the brightest minds of the E&P industry – past, present and future.

Step One

You must confirm that you meet the qualifications for SPE membership:

I am enrolled in a university and carry at least 30% of a normal full-time academic load and have a concentration in petroleum or a related field. And at least one of the following:

- › Be pursuing the equivalent to a bachelors or graduate degree
- › Attend an university with an SPE established student chapter

Note: SPE will contact your student chapter faculty sponsor to verify enrollment or request a copy of your current transcript or proof of enrollment.

Step Two

Ensure you complete all pages of the online application process:

- › Fill out your profile information
- › Select your login password for spe.org
- › Add any subscriptions to your order
- › Select financial assistance or payment method
- › Check out

You will receive an immediate confirmation of membership upon submission.
