

SPE Casino Night was once again a very popular and successful event. On April 30, 2010, over 300 SPE members and guests joined us for an evening of great food and exciting casino action at the Doubletree Dallas. This turned out to be a banner year – we raised almost \$20,000 to be donated to the Scholarship Fund of the Dallas Section of SPE! On behalf of the 2010 Casino Committee, I would like to thank all the sponsors and contributors who made this annual event possible for the local oil and gas community.
