

On May 3rd, 2013, we celebrated the **21st** year of the SPE Casino Night! Over 420 SPE members and guests joined us for a great dinner, exciting gambling action and, of course, lots of prizes. Once again, our generous sponsors stepped up to the plate to make this one of the Dallas section's most successful fundraisers. Proceeds from the event will be donated to the Scholarship Fund of the Dallas Section of SPE. On behalf of the 2013 Casino Committee, I would like to thank all the sponsors and contributors who make this annual event possible for the local oil and gas community.
